

Climate Justice & Sustainability Grant Application

Page 1: Applicant Information:

1. Name:
2. Job Title and Department:
3. Email:
4. Campus:
5. Is this an individual or group project? If it is a group project, include names of all group members.
6. Where did you hear about the Climate Justice & Sustainability Grant Program? Check all that apply:
 - Climate Justice & Sustainability Newsletter
 - Other Newsletter
 - Social Media
 - Climate Justice & Sustainability Website
 - Academic program
 - Peer or colleague
 - Other _____

Page 2: Project Questions:

7. Project Title:
8. Brief Description of the Project. This is how your project will be described in promotional materials.

9. Which of the following goals does your project address? Check all that apply:
- Campuses will be models of sustainable, resilient, healthy, interconnected, and just communities.
 - Contribute to building a just and regenerative economy, both locally and globally.
 - Enact just research and academic practices that advance equitable solutions to the climate crisis.
 - Build equitable relationships with local communities to model place-based justice and sustainability in action.
10. Please describe how the project will help advance the Hub's goal(s) indicated above
11. Please describe the measurable environmental and social impact of the project.
12. Are there any other stakeholders involved in the project. If so, please provide additional details regarding their involvement including names and role?
13. Who is most impacted by this project and how have they been engaged in shaping the solution?

Page 3: Project Funding and Timeline:

14. How much funding are you requesting? Each project can apply for up to \$5,000. Please provide an itemized budget either in this box or upload a file below.
15. Optional: Applicants are welcome to upload a budget file or provide details in question 15.
16. Is your project seeking funding from other sources?
17. If your project is seeking funding from other sources, please provide the details here.
18. All projects require a department sponsor to which the Climate Justice & Sustainability Hub can transfer funds to. Please list your department sponsor here.
19. Provide a project timeline including any key event dates or deliverables.
Funds should be spent within 6 months to a year. Funds can be part of a larger project that is ongoing, however, funds from this grant must be spent within that timeframe.
